Re: Shamrock Cartage, Inc.
Case 09-CA-219396

Dear Ms. Rose:

This acknowledges the Respondent's Exception for Late Motion to Dismiss for Excusable Neglect filed in the subject case on October 15, 2018.

Section 102.2(d) of the Board's Rules and Regulations allows for parties to file documents within a reasonable time after the due date only upon good cause shown based on excusable neglect and when no undue prejudice would result. "A party seeking to file such documents beyond the time prescribed by these Rules must file, along with the document, a motion that states the grounds relied on for requesting permission to file untimely. The specific facts relied on to support the motion must be set forth in affidavit form and sworn to by individuals with personal knowledge of the facts." In order for the Board to consider the Respondent's untimely filed motion to dismiss/summary judgement, you must follow the prescribed method outlined in Section 102.2(d), which requires a sworn affidavit by individuals with personal knowledge of the facts.

In light of the above, the Respondent's Exception for Late Motion to Dismiss for Excusable Neglect is insufficient under the Rules, and will not be forwarded to the Board for consideration

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
